

Qualifying Smart Thermostat Models

Residential and Existing Multifamily
Effective June 1, 2022

Models listed below qualify for Smart Thermostat incentives. Eligible smart thermostats must be connected to the internet through your Wi-Fi network and configured with your home's location. If you have questions about model eligibility, please contact us at residential@energytrust.org for single family homes and multifamily@energytrust.org for multifamily residences.

Manufacturer	Model Name	Notes
