Greetings --

Thank you for your interest in our new offerings in coordination with the ENERGY STAR® New Homes program. Energy Trust will be hosting an informational conference call on Tuesday, May 15th from 8:30am – 9:30am. During this call, staff from the ENERGY STAR New Homes program will join us to explain the goals and organization of the New Homes program, the new solar upgrade incentives, and ongoing outreach to builders throughout Oregon.

Attached is the agenda for the conference call and the New Homes program Solar Upgrade FAQ. While there will be some time for Q & A at the end of the call, if you send questions via e-mail ahead of time we will make every effort to address them in the discussion.
