Section 6—Terms and Conditions

No Commitment

This application does not constitute an offer to enter into a contract with the Energy Trust, nor does it commit Energy Trust to enter into a contract or similar undertaking with the Applicant or any organization associated with the Applicant. Energy Trust reserves the right to suspend or modify the application process or to issue a new application that would supersede and replace this one.

Any commencement of negotiations in connection with this application does not signify a commitment by Energy Trust to execute a contract or to continue discussions with respect to the Applicant’s organization. Any party involved in these negotiations can terminate contact at any time and for any reason. Energy Trust is under no obligation to pursue this application, or to disclose to the Applicant any information concerning its disposition of, or action on, the Application. Any recommendations or conclusions from this application process concerning the Applicant shall not constitute a right (property or otherwise). No binding obligation shall be created unless Energy Trust or its representative and the concerned parties execute a binding agreement. Any awards made by the Energy Trust as a result of this application will be subject to the terms of a definitive written agreement between the parties.

Confidentiality

Applications may be reviewed by any Energy Trust employee, Board member, or contractor. If Energy Trust uses an outside party to help review the application, it will require that party to sign a confidentiality agreement. Subject to litigation or other legal disclosure requirements, Energy Trust will not otherwise disclose information submitted in this application.

Waiver of Claims

Applicant waives any right it may have to bring any claim, whether in damages or equity, against Energy Trust, Energy Trust’s Board of Directors, Energy Trust’s Renewable Advisory Council, Energy Trust’s agents, employees, or contractors with respect to any matter arising out of any process associated with this application.
