Additional Terms and Conditions

ELIGIBILITY: Incentives are available to Oregon residential electric service customers of Portland General Electric (PGE) and Pacific Power and Oregon residential natural gas service customers of NW Natural and Cascade Natural Gas. To qualify for the clothes washer or dishwasher incentive, Participants with an electric water heater must be customers of PGE or Pacific Power and Participants with a gas water heater must be customers of NW Natural or Cascade Natural Gas. Incentives for refrigerators or freezers must be installed in homes within the PGE or Pacific Power service territory. Sales receipt must be dated between January 1, 2010, and December 31, 2010. Incentives are available for applications submitted within 90 days from the date of purchase. Limited to one incentive per clothes washer, dishwasher, refrigerator or freezer. Regardless of date of purchase, no incentive applications will be accepted after April 15, 2011. Neither Energy Trust nor Portland Energy Conservation, Inc. (PECI) shall be responsible for lost or misdirected mail.

NO ENDORSEMENT: In promoting ENERGY STAR products, Energy Trust does not endorse any particular manufacturer. The fact that the names of particular manufacturers, equipment or systems may appear on this Application does not constitute an endorsement. Manufacturers, contractors, equipment, or systems not mentioned are not implied to be unsuitable or defective in any way.

TAX LIABILITY: Energy Trust is not responsible for any tax liability, which may be imposed on the Participant as a result of payment of any incentives. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

ENERGY INFORMATION RELEASE: Participant authorizes Energy Trust to access energy usage data relating to the property at which the energy-efficient product is installed by accessing the electric and natural gas accounts at the physical address of the project. Participant agrees to provide other reasonable assistance to Energy Trust to obtain such information.

DISCLAIMER / NO LIABILITY: Participant understands that, while Energy Trust is providing funding for the incentives payment, Energy Trust is not supervising work performed for Participant nor is Energy Trust responsible in any way for proper product installation, completion of that work or proper performance of any product purchased. Energy Trust is simply providing funding to assist Participant in implementing energy-efficiency measures. Energy Trust does not guarantee any particular energy-savings results by its approval of the Application or by any other of its actions.

ⁱ Many premium-efficiency refrigerators and clothes washers also qualify for an Oregon Residential Energy Tax Credit. For information, visit www.egov.oregon.gov/ENERGY/CONS/RES/tax/appliances.shtml.

ⁱⁱ Modified Energy Factor (MEF) measures the energy used during the washing process, including machine energy, water heating energy and dryer energy. The most efficient clothes washers have the highest MEF ratings.
