**Insurance Agent Instructions:** Energy Trust operates several energy efficiency and renewable energy programs in Oregon. The Company listed above has applied to become a trade ally Energy Trust's New Homes program. For more information about Energy Trust and its programs, please see our website at [www.energytrust.org](http://www.energytrust.org). Through contracts with its trade allies, Energy Trust requires all approved trade allies to maintain specified insurance coverages and meet other obligations. Among those obligations, approved trade allies are required to ensure that their policies meet our minimum requirements and to provide a **Certificate of Insurance**, as described below, in order to participate in Energy Trust's programs.

**Requested Certificate of Insurance Information:** The insurance carried by the company named above must cover the work to be performed as an Energy Trust New Homes trade ally and cannot exclude any type(s) of damage that such company may cause as a result of that work. To see the complete requirements, request a copy of the trade ally agreement from this Company. The required **Certificate[s] of Insurance** should specifically name Energy Trust as a Certificate Holder and must show, at the least, the following:

- Occurrence based Commercial General Liability Insurance (including products and completed operations coverage)
  - with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage liability, with an annual aggregate limit of not less than \$1,000,000
- State-required workers' compensation insurance.

Please note that the trade ally agreement includes additional insurance requirements. Please also note in your records that the Energy Trust is a Certificate Holder and should be notified of renewals, cancellations or changes in coverage.

### Please fax or mail the certificate directly to:
