<input type="checkbox"/>	\$ 35	If installed by homeowner, please see checklist below	<b>Electric water heater</b> —Energy Factor of 0.93 or greater; heat pump water heaters are not eligible.
<input type="checkbox"/>	\$ 75	If installed by homeowner, please see checklist below	<b>Electric water heater</b> —Energy Factor of 0.94 or greater and a 20 year manufacturer's tank warranty or greater; heat pump water heaters are not eligible.
<input type="checkbox"/>	\$ 150	Must be installed by a CCB licensed contractor	<b>High-efficiency gas tank water heater</b> —Energy Factor of 0.67 or greater and ENERGY STAR <sup>®</sup> approved. Hybrid water heaters do not qualify.

<b>Total Water Heater Incentive Requested</b>	\$
---	----

**ELECTRIC WATER HEATER SELF-INSTALL CHECKLIST FOR HOMEOWNERS**

<input type="checkbox"/> Turn off electricity to the heater. <b>IMPORTANT</b> Make sure that there is no electrical power at the heater with a multimeter or test light.	<input type="checkbox"/> Open hot water faucet to release trapped air and open cold water inlet to tank.
<input type="checkbox"/> Disconnect wiring, drain the heater and disconnect the water piping.	<input type="checkbox"/> Check for leaks and fill with cold water <b>before</b> restoring power to the tank.
<input type="checkbox"/> Remove old heater and position new heater, making sure it is level and pipes and wires will easily reach.	<input type="checkbox"/> Reconnect electrical wiring.
<input type="checkbox"/> Attach water piping, install temperature and pressure relief valve and any other fittings.	<input type="checkbox"/> Set temperature to 140° for electric water heater tanks, 120° for gas water heater tanks.
<input type="checkbox"/> Close heater drain valve.	<input type="checkbox"/> Install earthquake or seismic strapping in accordance with the appliance manufacturer's recommendations.

**Floor Insulation Incentives**

	Installed Cost	Beginning R-Value <sup>1</sup>	Ending R-Value <sup>2</sup>	Square Feet	Incentive Requested	Maximum Incentive
<input type="checkbox"/> <b>Floor Insulation</b>	\$	R-	R-		\$	\$0.30 per square foot, not to exceed cost

<sup>1</sup> Must meet beginning R-value requirements. R-value describes the capacity of the material to resist heat transfer. The higher the R-value of a material, the greater the insulating properties.

<sup>2</sup> Must meet required ending R-value requirements, and/or cavity must be filled.

**Measures and incentives subject to change after December 31, 2012. Energy Trust welcomes contractors to join our Trade Ally Network.**

To be completed by Participant and Trade Ally

*Conservation Services Group (CSG) is a Program Management Contractor for Energy Trust of Oregon.*

**Window Incentives**

	Installed Cost	U-Value <sup>3, 4</sup>	Square Feet	Total Number of Windows Installed	Incentive Requested	Maximum Incentive
<input type="checkbox"/> Windows	\$	U-			\$	\$2.25 or \$3.50 per square foot, not to exceed cost

<sup>3</sup> U-Value describes the heat conductivity of a material. The lower the U-Value, the greater the insulating characteristics of the material.

<sup>4</sup> Windows with a U-Value of 0.26 to 0.30 are eligible for \$2.25 per sq ft. Windows with a U-Value of 0.25 or less are eligible for \$3.50 per sq ft.

**Acceptable proof of window size and U-Value: Please choose one from each column**

**Window Size**

**Window U-Value**

- Invoice from manufacturer, distributor, retailer or contractor       Copy of NFRC sticker for each window installed  
 Windows Addendum

**Bonus package for homeowners installing multiple qualifying improvements\***

- \$100 Windows Bonus (Windows + second qualifying upgrade)

\*For more information or a list of qualifying upgrades, please visit <http://www.energytrust.org/bonuspackage>

**Checklist for Incentive(s):**

- Complete and return this entire form.  
 Contractor and homeowner signatures are on terms and conditions page.  
 Date of installation (all applications must be received within 90 days of initial measure installation).  
 Invoice billing homeowner is attached and marked "paid in full".  
 Windows incentive requires additional attachments. Please see windows section above.

**DISCLAIMER / NO LIABILITY:** Participant understands that, while Energy Trust may provide Participant with an incentive payment, Energy Trust is not supervising work performed for Participant nor is Energy Trust responsible in any way for proper completion of that work or proper performance of any products purchased. Energy Trust is simply providing funding to assist Participant in implementing energy-saving measures. Participant assumes the risk of any loss or damage(s) that Participant may suffer in connection with installation of the measures. Energy Trust does not guarantee any particular energy-saving results by its approval of the application or by any other of its actions.

**TERMS AND CONDITIONS**

**APPLICATION:** This application and any required additional documentation must be filled out completely, truthfully and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to Energy Trust under this program. Energy Trust will not be responsible for lost documentation pertaining to this application request. **Existing Mobile Homes program must receive applications within 90 days after the date of installation.** Incentives offers are subject to funding availability and may change. **Incentive amounts are valid through December 31, 2012. Please allow 6-8 weeks for incentive processing.**

**ELIGIBILITY:** Incentives are available to approved participants who are: (i) Oregon residential electric service customers of Portland General Electric or Pacific Power, and/or (ii) Oregon residential natural gas service customers of NW Natural or Cascade Natural Gas. Incentives for energy-saving measures that help save on the cost of home heating are available to PGE and Pacific Power customers who heat their homes with electricity and to NW Natural or Cascade Natural Gas customers who heat their homes with natural gas. Final determination of eligibility shall rest solely with Energy Trust.

**Measures and incentives subject to change after December 31, 2012. Energy Trust welcomes contractors to join our Trade Ally Network.**

**To be completed by Participant and Trade Ally**

**Conservation Services Group (CSG) is a Program Management Contractor for Energy Trust of Oregon.**

**WORK QUALITY VERIFICATION:** Prior to any payment of incentives, Participant's contractor will verify that the installed energy-saving measures meet program requirements and Energy Trust of Oregon weatherization specification standards. Outdoor temperatures may affect this verification process. Participant's home may also be selected for a quality control post-installation visit. No warranty is implied by this work quality verification.

**PAYMENT:** Incentives will be paid after: (i) completion and/or installation of the energy-saving measures, (ii) verification of the completion and/or installation of the measures, and (iii) timely submission of all required documentation of measures. Incentives will be paid directly to Participant unless Participant has elected to obtain financing for the cost of installing the energy-saving measures identified in the documentation accompanying this application.

**PROOF OF PURCHASE:** The invoice documentation accompanying this application must **itemize** the products purchased and/or work performed. This proof of purchase must show: (i) the date of purchase and itemized price paid, (ii) the size, type, make, model or part number for the products, (iii) a description of any installation or other labor charges, and (iv) the invoice is paid in full.

**INCENTIVE AMOUNT:** Incentives for energy-saving measures completed and/or installed as set forth in documentation accompanying this application are limited to the amounts provided by Energy Trust. Such amounts are subject to change. Current incentive amounts are identified on the web at [www.energytrust.org](http://www.energytrust.org). Contact Energy Trust with any questions.

**TAX LIABILITY:** Energy Trust is not responsible for any tax liability, which may be imposed on the Participant as a result of payment of any incentives or as a result of obtaining financing. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

**FACSIMILE/SCANNED:** Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, shall be the same as delivery of the original signed document. Scanned original documents transmitted to Energy Trust as an attachment via electronic mail shall be the same as delivery of the original signed document. At the request of Energy Trust, Participant shall confirm documents with a facsimile transmitted signature or a scanned signature by providing the original document.

**SAFETY AND BUILDING CODES:** Participant represents that, with respect to the products and work performed identified in the documentation accompanying this application: (i) all products installed and work performed complies with all federal, state and local safety, building and environmental codes, and (ii) products are UL listed, if applicable, and installed per manufacturer's instructions.

**NO ENDORSEMENT:** Energy Trust does not endorse any particular manufacturer, contractor, or product in promoting Existing Mobile Homes. The fact that the names of particular manufacturers, contractors, products, or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way.

**PROPERTY RIGHTS:** Participant represents that Participant has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

**ACCESS AND EVALUATION:** Energy Trust and/or its representatives may request access to the property on which energy-saving measures have been completed and/or installed and may review and evaluate the project during and after completion. Participant agrees to provide reasonable access to the property for the purposes described herein.

**ENERGY INFORMATION RELEASE:** Participant authorizes Energy Trust to access energy usage data relating to the property on which energy-saving measures have been completed and/or installed by accessing the electric and natural gas accounts at the physical address of the project. Participant agrees to provide other reasonable assistance to Energy Trust to obtain such information.

**INFORMATION RELEASE:** Participant agrees that Energy Trust may include Participant's name, Energy Trust services and resulting energy savings in reports or other documentation submitted to the Energy Trust Board of Directors, the Oregon Public Utility Commission, Oregon Department of Energy, Oregon Housing & Community Services, and/or the Oregon Legislature. Energy Trust will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

**ELIGIBLE PRODUCTS:** Products must meet Energy Trust energy efficiency specifications. These specifications may be found on the web at [www.energytrust.org](http://www.energytrust.org) and are subject to change. If you, or your contractor, are not sure of the specifications, please call Energy Trust before proceeding.
