To be completed by Participant

Release Authorization

I, Participant, (*check box(s) below*)

- am submitting photographs to Energy Trust and
- hereby authorize contractor to take photographs of my system for the purpose of submitting such photographs to Energy Trust and

give my permission to Energy Trust of Oregon, Inc. to use the information about the Energy Trust project involving my property and related photographs. I agree that Energy Trust's use of submitted photographs may include, but is not limited to, a case study, brochure, website, display, advertising, newsletters, editorial illustration, and other forms of commercial publication along with the following limited information: system size and characteristics (i.e. manufacturer, model number), date of system install, anticipated and/or actual energy savings, and the name of the city or town where the system is located. I understand that this consent is voluntary and is not required for my participation in any Energy Trust program. Energy Trust will not disclose my name or address when using the photographs, unless they contact me to obtain additional consent.

I further consent the use of my name in connection with the photographs if needed by Energy Trust.

Energy Trust will not release photographs to other parties for any purpose other than informing the public about Energy Trust activities.

I further understand (i) that Energy Trust will not provide financial compensation to me or to the contractor for the use of the information or photographs, (ii) that it is Energy Trust's sole discretion as to whether or not to use any photograph submitted, and (iii) that Energy Trust will not return submitted photographs.
