Energy Information Release

By signing and submitting this **Form 100E** to Energy Trust, Participant authorizes Energy Trust to access energy usage data for the project's specified accounts at the physical address of the project as listed. Participant agrees to provide other reasonable assistance to Energy Trust to obtain such information. Participant further authorizes Energy Trust to discuss its energy efficiency project with the applicable utility account representative(s) designated to the accounts listed herein.

Thank you for your interest in Energy Trust's Existing Buildings program. Following our review of the information you have provided, a program representative will contact you to discuss potential next steps for identifying energy saving opportunities at your facility.

Certain sites may qualify to receive an on-site walk-through survey or site evaluation to further examine potential energy saving opportunities. Participant may refuse to accept these additional services if it wishes. By accepting a walk-through survey or site evaluation, the Participant accepts and agrees to the Terms and Conditions listed below.

Terms and Conditions:

Walk-through Survey or Site Evaluation. Following our review of this **Energy Assessment Request** and your facility's energy usage information, Participant may qualify to receive a walk-through survey or site evaluation. If so, an Existing Buildings program (Program) representative will contact you to schedule a convenient time for an on-site visit to further scope potential energy saving strategies or equipment that might benefit your facility. Participant will inform the Program representative of applicable job site regulations for the facility, if any, prior to the site visit. The Program may also provide you with additional information about potential Energy Trust incentives that may be available to help you offset the costs of your energy saving projects. Determination of eligibility for a walk-through survey or site evaluation rests solely with Energy Trust. Program funding is limited and subject to availability and not all proposed projects may qualify to receive a walk-through survey or site evaluation from the Program.

Access and Evaluation. For the purpose of conducting a walk-through survey or site evaluation, Participant agrees to provide Energy Trust's Program representative(s) with access to the property identified as the site address herein. Participant further agrees to provide Energy Trust and its authorized representatives with reasonable access to the site and assistance to perform any verification or evaluation efforts needed.

No Endorsement. Energy Trust does not endorse any particular manufacturer, contractor or product in promoting the Program. The fact that the names of particular manufacturers, contractors, products or systems may appear in the Program does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way.

Disclaimer/No Liability. Participant understands that, while Energy Trust may provide funding for the walk-through survey or site evaluation, Energy Trust is not performing or supervising such work, nor is the Energy Trust responsible in any way for proper completion of that work. Participant shall independently evaluate any information provided by Energy Trust or its representatives related to potential energy-efficiency measures. **ENERGY TRUST AND ITS REPRESENTATIVES MAKE NO REPRESENTATION, EXPRESS OR IMPLIED, REGARDING THE DESIGN, SIZING, INSTALLATION, CONSTRUCTION, RELIABILITY, EFFICIENCY, PERFORMANCE, OPERATION, MAINTENANCE OR USE OF ANY ENERGY-EFFICIENCY EQUIPMENT OR SYSTEMS ANALYZED.** Energy Trust does not guarantee any particular energy savings results by its approval of this **Form 100E**, or by any other of its actions. Participant assumes the risk of any loss or damage(s) that Participant may suffer in connection with its participation in the walk-through survey or site evaluation.
