

\$300 Insulate Now Bonus Coupon for your Air Sealing and Insulation Improvements

This coupon entitles qualifying Oregon homeowners who heat their homes with fuel from Portland General Electric, Pacific Power, NW Natural or Cascade Natural Gas to a \$300 cash-back bonus, in addition to standard Energy Trust of Oregon cash incentives, when air sealing and insulation improvements are installed between July 1, 2010, and October 31, 2010. This offer is good for a limited time only, and only one coupon may be redeemed per household.

Follow these easy steps to save energy and earn your bonus cash incentive: 1) Find an Energy Trust contractor at www.energytrust.org. 2) Make air sealing and insulation improvements. 3) Complete this coupon, following the instructions on the back. 4) Mail this coupon together with a completed incentive application form (available from your contractor or online at www.energytrust.org) and a copy of your contractor invoice marked "paid in full" to the address listed on the back. See reverse side of coupon for eligible improvements and additional rules and instructions.

To receive the \$300 Insulate Now bonus, the homeowner must:

- Seal air leaks and install attic, wall and floor insulation. If wall, attic and floor insulation need to be upgraded to meet specifications, all three must be installed with air sealing to receive the bonus. If only two areas need insulation upgrades, both must be completed with air sealing to receive the bonus. Homes needing only one insulation upgrade are not eligible for the bonus. Rim joist or knee wall insulation may qualify; call Energy Trust for more information.
- Submit the coupon together with the appropriate incentive application form (available for your Energy Trust contractor at www.energytrust.org) and a copy of the contractor invoice marked "paid in full" to Energy Trust of Oregon at: Energy Trust of Oregon; Home Energy Solutions; PO Box 847; Portland, OR 97207
- The completed forms with bonus coupon must be postmarked by November 15, 2010. Coupons received without an accompanying incentive application and a contractor invoice marked "paid in full" will not be honored.

Rules and Requirements

- This offer is valid for improvements installed between July 1, 2010, and October 31, 2010, for work completed on homes that heat with fuel provided by Portland General Electric, Pacific Power, NW Natural or Cascade Natural Gas.
- Work must be installed by an Energy Trust contractor.
- This offer is available on a first-come, first-served basis and is subject to availability. All completed forms and coupon must be submitted for incentive processing within 90 days of final installation completion, or by November 15, 2010.
- \$300 bonus coupon cannot exceed cost of installed improvements.
- Energy Trust does not pay incentives for energy-efficiency improvements that are mandated for building code compliance, such as remodeling, renovation or new additions to the home.
- This offer is limited to one per household, and may not be used in combination with any other Energy Trust bonus package, bundle offer or promotion that contains the same qualifying equipment.

Call Energy Trust toll-free at **1.866.368.7878** with questions. We look forward to helping you save energy and money.

Serving customers of Portland General Electric, Pacific Power, NW Natural and Cascade Natural Gas.
