

\$150 Cash-Back Bonus Coupon for Making Two Energy-Efficiency Home Improvements

This coupon entitles qualifying Washington homeowners who heat their homes with fuel by NW Natural to a \$150 cash-back bonus, in addition to standard Energy Trust cash incentives, when at least two qualifying improvements are installed between May 1, 2010, and September 15, 2010. This offer is good for a limited time only, and only one coupon may be redeemed per household.

Follow these easy steps to save energy and earn your bonus cash incentive: 1) Find an Energy Trust contractor at www.energytrust.org/nwnwa. 2) Install at least two qualifying improvements. 3) Complete this coupon, following the instructions on the back. 4) Mail this coupon together with a completed incentive application form (available from your contractor or online at www.energytrust.org/nwnwa) and a copy of your contractor invoice marked "paid in full" to the address listed on the back. See reverse side of coupon for eligible improvements and additional rules and instructions.

To receive the \$150 bonus, the homeowner must:

- Install at least two qualifying energy-saving improvements. \$150 bonus is available for installation of two or more of the following qualifying improvements: Air sealing; duct sealing; windows; attic, wall, floor, knee wall or duct insulation; gas furnace; direct vent gas unit heater; direct vent gas unit fireplace; gas boiler; tank water heater; and tankless water heater. A test-in/test-out (Blower Door and duct leakage tests) must be completed for air and duct sealing; however, test-ins/test-outs are not eligible improvements for this offer.
- Submit the coupon together with the appropriate incentive forms (available for your contractor at www.energytrust.org/nwnwa) and a copy of the contractor invoice marked "paid in full" to Energy Trust of Oregon at: Energy Trust of Oregon; c/o Conservation Services Group; PO Box 847; Portland, OR 97207
- **The completed forms with bonus coupon must be postmarked by September 15, 2010.** Coupons received without an accompanying incentive application and a contractor invoice marked "paid in full" will not be honored.

Rules and Requirements

- This offer is valid for improvements installed between May 1, 2010, and September 15, 2010, for work completed on Washington homes that heat with fuel provided by NW Natural.
- Work must be installed by an Energy Trust contractor active in NW Natural Washington territory.
- This offer is available on a first-come, first-served basis and is subject to availability. All completed forms and coupon must be submitted for incentive processing within 90 days of final installation completion.
- \$150 bonus coupon cannot exceed cost of installed improvements.
- This offer is limited to one per household, and may not be used in combination with any other Energy Trust bonus package, bundle offer or promotion that contains the same qualifying equipment.
