

Windows Specification Supplement

Existing Multifamily | Incentive Application | For use with Form 320_{WX}

To be completed by Participant and Trade Ally Contractor or other Contractor

Lockheed Martin is a Program Management Contractor for Energy Trust of Oregon.

If the project cost documentation submitted with Participant's **Form 320_{WX}** incentive application does not specifically identify the window size and/or U-value for each of the installed windows associated with the incentive request, then this Windows Specification Supplement must also be completed and submitted before Energy Trust can process the incentive application.
