

# OREGON CASH INCENTIVES FOR SINGLE-FAMILY HOMES

SERVING CUSTOMERS OF PORTLAND GENERAL ELECTRIC, PACIFIC POWER, NW NATURAL, CASCADE NATURAL GAS AND AVISTA

Take steps to save energy and money while improving home comfort, health and efficiency. Energy Trust of Oregon is proud to offer cash incentives that lower the cost of energy-saving upgrades.

## SAVINGS WITHIN REACH

No matter your budget, we're here to help. Income-qualified households can receive increased incentives through our Savings Within Reach offer. See if you're eligible at [www.energytrust.org/savingswithinreach](http://www.energytrust.org/savingswithinreach).

## HEATING + COOLING

Heating and cooling systems work hard to provide comfort throughout the year. Replacing old, inefficient equipment helps to improve performance and reduce costs.

### Ductless heat pump

\$500 per residence: For homes replacing electric resistance heat in a primary living space, HSPF 9.0 or greater.

### Heat pump

\$700 per residence: For homes upgrading from an electric furnace, baseboard, wall heater or ceiling heat, HSPF 8.5 or greater.

### Heat pump controls

\$250: Home must be heated primarily by an electric heat pump with electric furnace backup.

### Smart thermostat

\$100: Select smart thermostats qualify. Home must be primarily heated with forced air furnace (electric or gas), or an electric heat pump.

### Gas furnace

\$550: Minimum 90% AFUE. Only available to select homeowners.

### Central air conditioner

\$250: Minimum system Season Energy Efficiency Rating (SEER) of 15 and a minimum system Energy Efficiency Rating (EER) of 12.

### Direct-vent gas fireplace

Up to \$250: Based on Fireplace Efficiency (FE)

## WINDOWS + INSULATION

Home feeling drafty in the winter? Too hot in the summer? Experiencing high energy bills? Weatherization improvements can make a big difference.

### Windows

Up to \$4 per square foot: Based on efficiency rating

### Insulation

\$0.25 per square foot: Attic/ceiling

\$0.30 per square foot: Floor

\$0.30 per square foot: Wall

## WATER HEATING + TREATMENT

Between the bath, kitchen and laundry room, hot water is always in demand. High-efficiency solutions bring energy savings and peace of mind.

### Water heater discounts

Our trade ally contractors offer quality installation at competitive prices and participating retailers offer discount pricing on select water heaters.

Ask your installer or retailer about efficient gas and electric models.

### Outdoor spa cover

\$100: Available from participating retailers

## SOLAR

Homeowners all across Oregon are taking control of their energy costs—and improving their home value—with clean, renewable energy from the sun.

### Solar electric

Cash incentives are available for customers of Portland General Electric and Pacific Power and vary based on system size. Visit [www.energytrust.org/solar](http://www.energytrust.org/solar) for details.

## SPECIAL OFFERS

### Home Energy Review

Learn where your home is losing energy and how to save with our simple online review.

### Energy Saver Kit

Receive free energy-saving products delivered straight to your home.

## ADDITIONAL INCENTIVE OPPORTUNITIES

### Single-family rentals

Energy-saving upgrades and equipment replacement can lower maintenance, increase tenant comfort and retention, and help to quickly fill vacancies. Find incentives at [www.energytrust.org/landlord](http://www.energytrust.org/landlord).

### Condominiums and townhomes

Energy Trust offers cash incentives for energy-efficient upgrades in multifamily properties such as condos and townhomes. Visit [www.energytrust.org/condo](http://www.energytrust.org/condo) for details.

## ON-BILL REPAYMENT

Lower your upfront project costs and start saving energy sooner with affordable financing repaid on your energy bill.

## INSTANT DISCOUNTS

### High-performance showerheads

Reduced pricing at participating retailers

### ENERGY STAR® LED lights and fixtures

Reduced pricing at participating retailers

### LED grow lights

Reduced pricing at participating retailers

### ENERGY STAR clothes washers

Reduced pricing at participating retailers

### ENERGY STAR clothes dryers

Reduced pricing at participating retailers

*Incentives are subject to funding availability and may change. Effective January 1, 2020.*
