OREGON CASH INCENTIVES FOR SINGLE-FAMILY HOMES

SERVING CUSTOMERS OF PORTLAND GENERAL ELECTRIC, PACIFIC POWER, NW NATURAL, CASCADE NATURAL GAS AND AVISTA

Take steps to save energy and money while improving home comfort, health and efficiency. Energy Trust of Oregon is proud to offer cash incentives that lower the cost of energy-saving upgrades.

**SAVINGS WITHIN REACH**

No matter your budget, we’re here to help. Income-qualified households can receive increased incentives through our Savings Within Reach offer. See if you’re eligible at [www.energytrust.org/savingswithinreach](http://www.energytrust.org/savingswithinreach).

---

**HEATING + COOLING**

Heating and cooling systems work hard to provide comfort throughout the year. Replacing old, inefficient equipment helps to improve performance and reduce costs.

- **Ductless heat pump**
  $500 per residence: For homes replacing electric resistance heat in a primary living space, HSPF 9.0 or greater.

- **Heat pump**
  $950 per residence: For homes upgrading from an electric furnace, HSPF 8.5 or greater.

- **Heat pump controls**
  $250: Home must be heated primarily by an electric heat pump with electric furnace backup.

- **Smart thermostat**
  $80: Select models qualify. Home must be primarily heated with forced air furnace (electric or gas), or an electric heat pump.

- **Gas furnace**
  $550: Minimum 90% AFUE. Only available to select homeowners.

- **Central air conditioner**
  $250: Minimum system Season Energy Efficiency Rating (SEER) of 15 and a minimum system Energy Efficiency Rating (EER) of 12.

- **Direct-vent gas fireplace**
  Up to $250: Based on Fireplace Efficiency (FE) with electronic pilot ignition.

---

**WINDOWS + INSULATION**

Home feeling drafty in the winter? Too hot in the summer? Experiencing high energy bills? Weatherization improvements can make a big difference.

- **Windows**
  Up to $6 per square foot: Based on efficiency rating.

- **Insulation**
  - $0.25 per square foot: attic/ceiling.
  - $0.30 per square foot: floor.
  - $0.30 per square foot: wall.

---

**WATER HEATING + TREATMENT**

Between the bath, kitchen and laundry room, hot water is always in demand. High-efficiency solutions bring energy savings and peace of mind.

- **Water heater discounts**
  Our trade ally contractors offer quality installation at competitive prices, and participating retailers offer discount pricing on select gas and electric water heaters.

  Visit [www.energytrust.org/hotwater](http://www.energytrust.org/hotwater) for details.

- **Outdoor spa cover**
  $100: Available from participating retailers.

---

**SAVINGS WITHIN REACH**

No matter your budget, we’re here to help. Income-qualified households can receive increased incentives through our Savings Within Reach offer. See if you’re eligible at [www.energytrust.org/savingswithinreach](http://www.energytrust.org/savingswithinreach).
HOME IMPROVEMENT STARTS HERE

For complete incentive details, and to find participating contractors and retailers near you, visit www.energytrust.org/homes or call 1.866.368.7878.

SOLAR
Homeowners all across Oregon are taking control of their energy costs—and improving their home value—with clean, renewable energy from the sun.
