

CASH INCENTIVES FOR HOMEOWNERS

SERVING CUSTOMERS OF NW NATURAL IN SW WASHINGTON

Take steps to save energy and money while improving home comfort, efficiency and health. NW Natural and Energy Trust of Oregon work together to offer cash incentives that lower the cost of energy-saving upgrades for single-family homes, as well as condos, townhomes and plex properties.

HEATING + COOLING

Heating and cooling systems work hard to provide comfort throughout the year. Replacing old, inefficient equipment helps to improve performance and reduce costs.

High-efficiency natural gas furnace

\$650: Minimum 95% AFUE

Must be used as a primary heat source.

\$1,600: Minimum 95% AFUE

Available for single-family and small multi-family rental properties.

High-efficiency direct-vent natural gas fireplace

Up to \$250: Based on Fireplace Efficiency (FE) with electronic pilot ignition.

Smart thermostat

\$100: Select smart thermostats qualify. Home must be primarily heated with a gas forced-air furnace.

WINDOWS + INSULATION

Home feeling drafty in the winter? Too hot in the summer? Experiencing high energy bills? Weatherization improvements can make a big difference.

Windows

Up to \$10 per square foot: Based on efficiency rating and existing condition.

Insulation

\$1.25 per square foot: Attic/ceiling, floor, wall.*

WATER HEATING

Between the bath, kitchen and laundry room, hot water is always in demand. High-efficiency solutions bring energy savings and peace of mind, especially if your water heater is more than 10 years old.

Natural gas tankless water heater

\$400: 0.81 uniform energy factor (UEF) or greater.

ON-BILL REPAYMENT

You can apply for a loan with a preferred rate and On-Bill Repayment through your NW Natural bill to help make energy-saving upgrades more affordable. Learn more at www.energytrust.org/financing.

*Incentives are subject to funding availability and may change.
Effective October 1, 2023.*

SPECIAL OFFERS FROM YOUR UTILITY

NW Natural

NW Natural offers additional savings on appliances, natural gas fireplaces, equipment installations and more. Work with a NW Natural Preferred Contractor to gain access to exclusive offers and incentives.

The NW Natural Preferred Contractor Network includes highly trained and skilled technicians who are committed to quality brands, products and customer service. Find a contractor and see available incentives at www.nwnatural.com/offers.

Assistance programs for energy services and upgrades, including free weatherization services, are available to income-qualified households in Clark, Klickitat and Skamania counties. To learn more, visit www.nwnatural.com/ways-to-save/savings-programs.

**Manufactured homes are not eligible for the wall insulation incentive.*

ADDITIONAL INCENTIVE OPPORTUNITIES

Single-family rentals

Energy-saving upgrades and equipment replacement can lower maintenance costs, increase tenant comfort and retention, and help to quickly fill vacancies. Find incentives at www.energytrust.org/landlord.

Promotions

Special offers are available throughout the year from manufacturers, retailers and Energy Trust trade ally contractors. Check out the latest promotions and save extra at www.energytrust.org/residential/promotions.

FREE RESOURCES

Find resources for do-it-yourself projects and low- to no-cost ways to improve the energy efficiency, comfort and health of your home at www.energytrust.org/DIY.

HOME IMPROVEMENT STARTS HERE
