

INSTANT DISCOUNTS FOR BUSINESS LIGHTING

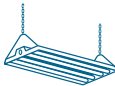

Energy Trust of Oregon can help you save energy and money—and it’s as easy as changing a light bulb. Installing new LED lighting is an excellent way to enhance lighting quality and cut operating costs. And when you buy qualifying LED lamps or fixtures from a participating distributor, you can take advantage of instant discounts that reduce your purchase price.

Find the LED Lighting That’s Right for You

Instant discounts are available for qualifying lamps or fixtures installed at an eligible existing commercial, industrial or multifamily (common areas only) site in Oregon that receives electrical service from Portland General Electric or Pacific Power. A participating distributor will verify the site address before applying the instant discount.

Here are just a few examples of LED lamps or fixtures available. These are examples only and actual products offered by participating distributors will vary.

Qualifying LED products*	Instant discount (per lamp or fixture)**
 Linear replacement lamp (TLED), 2 ft.-8 ft.	\$2.50-\$9.50 depending on length
 Interior fixture or kit	\$20-\$40 depending on the replacement wattage
 Exterior fixture	\$20-\$240 depending on the replacement wattage
 Outdoor recessed canister downlights	\$20

Qualifying LED products*	Instant discount (per lamp or fixture)**
 Pin-base CFL reflector lamp	\$2.50
 HID to LED screw-in lamp	\$35-\$80 depending on the replacement wattage
 High/Low bay interior fixture	\$80-\$200 depending on the replacement wattage

Qualifying LED products with LLCs	Instant discount (per fixture)**
Interior fixture or kit integrated Networked Lighting Controls	\$55-\$70 depending on the replacement wattage
High/low bay interior fixture or kit integrated Networked Lighting Controls	\$120-\$280 depending on the replacement wattage
Exterior fixture or kit integrated Networked Lighting Controls	\$65-\$255 depending on the replacement wattage

**All qualifying LED products must be ENERGY STAR® certified or on Design Lights Consortium (DLC®)'s Qualified Product List (QPL) version 5.1.*

***Pre-authorization is required if total instant discount exceeds \$7,000. End users are subject to random inspections.*

Some products that qualify for Instant Discounts are also available through Energy Trust's standard offering.
