

SUSTAINABLE BUILDINGS TRAINING

HANDS-ON LEARNING OPPORTUNITIES FOR CUSTODIAL AND CLEANING STAFF

Energy Trust of Oregon is launching EnergyWise — a new training course for custodial and cleaning staff employed in buildings participating in the Strategic Energy Management (SEM) offering. EnergyWise training provides custodial and cleaning staff with the knowledge and skills they need to support their organization’s sustainability goals. This unique training can empower staff to play a role in minimizing resource waste while optimizing the energy performance of buildings. Staff will learn climate-friendly and energy-saving practices for commercial businesses and organizations.

TRAINING BENEFITS FOR PARTICIPANTS:

- Gain the ability to identify and report energy and water waste
- Build confidence by contributing to resource and cost savings
- Recognize the influence custodial staff can have on energy conservation
- Collaborate with building management on energy-saving opportunities

TRAINING BENEFITS FOR ORGANIZATIONS:

- Gain insights into energy and water use with newly-trained staff
- Reduce both energy and water use
- Promote healthier work environments
- Improve operations and maintenance practice
- Demonstrate investment in organizational sustainability mission

This training is being offered in collaboration with Energy Trust of Oregon’s SEM offering. Learn more at www.energytrust.org/commercialSEM.

TRAINING COURSE DETAILS

- Provided by Energy Trust at no cost
- Eight hours per course
- Courses delivered in person with multiple formats available (single day or multiple days)
- Trainings scheduled throughout the year
- No previous energy efficiency or building maintenance experience required

To enroll, contact your SEM energy coach or email our energy team at energymanagement@energytrust.org.
