

High Efficiency Commercial Fryers

Commercial Buildings

Effective January 1, 2025

Models listed below qualify for Energy Trust's High Efficiency Commercial Fryer incentive. All models must meet the requirements listed on the application. The product list is periodically updated to reflect newly qualified models.

If your model is not listed but meets the appropriate equipment requirements, it may qualify for an Energy Trust incentive. If you have questions about model eligibility, please contact us at existingbuildings@energytrust.org
